# RAJASTHAN'S 1<sup>st</sup> SAFE SCHOOL

Recognized by: Bureau Veritas India Private Limited  
Platinum Safety Certificate

# Our Vision

To nurture every child's full potential through holistic learning, strong values, global citizenship, and meaningful real-world experiences, preparing them to thrive with confidence and compassion.

---

# Our Mission

To be a premier global educational institution that cultivates academic, physical, psychological, and social well-being, guided by our motto Excellence in Education and All-Round Development.

# About Us

Established in 2015, Euro International School, Jodhpur is a CBSE-affiliated institution offering education from Nursery to Class XII. Rooted in innovative and student-centric learning, EIS fosters academic excellence, creativity, and critical thinking in a safe, inclusive environment. Guided by the belief that every child deserves to go home happy, the school nurtures confident, culturally aware, and future-ready learners.

# Integrated Coaching Support

Euro International School enhances academic excellence through VMC (Vidyamandir Classes) Online Coaching, offering students a structured pathway to prepare for JEE, NEET, Olympiads, and other competitive examinations. With expert faculty, live interactive classes, comprehensive study resources, regular assessments, and detailed performance tracking, the program complements the school curriculum while building strong conceptual understanding. This integrated learning approach empowers students to excel in both board examinations and competitive entrance tests without compromising their school education.

A young man with dark hair and glasses, wearing a dark blazer over a white shirt and a red and blue plaid shirt, is sitting at a desk in a classroom. He is looking off to the side with a thoughtful expression. In the background, there is a colorful mural of a tree and leaves on the wall.

# Journey to Academic Excellence

At Euro International School, we take pride in offering a dynamic and comprehensive academic program that nurtures both intellectual growth and personal development. Our curriculum follows the Central Board of Secondary Education (CBSE), ensuring a strong foundation that balances knowledge, skills, and values. The teaching methodology emphasizes activity-based and experiential learning, enhanced with modern technology integration to make education engaging, relevant, and future-ready. Students are exposed to a wide range of CBSE-registered subjects, with multiple elective options in higher grades to help them pursue their individual interests and career goals. Beyond the classroom, we offer special programs in STEM, coding, life skills, and entrepreneurial training, equipping our learners with the competencies necessary to excel in an evolving global landscape.

# Academic Excellence Through Student-Centric Learning

Teachers at Euro International School follow a student-centric approach, making learning practical, activity-based, and engaging. Our EVLP (Experience, Visual, Label, Practice) methodology, combined with game-based and project-based learning, helps students develop critical thinking, problem-solving skills, and future readiness.

- Mental Aptitude Tests (Class 9 & 10) for analytical and career-focused skill development
- Continuous Assessment & Feedback for personalized growth
- Tailor-Made Learning to suit individual strengths
- Digital Classrooms to make students tech-savvy and confident

At EIS, we don't just teach – we inspire students to excel, innovate, and achieve their full potential.

# IIT Madras School Connect Programme

**IIT MADRAS**

Indian Institute of Technology Madras

Through the IIT Madras School Connect Programme, EIS serves as the Official School Partner, enabling students to gain authentic exposure to innovation-led learning guided by IIT Madras faculty.

## Our Infrastructure

Nestled within a beautifully landscaped 4-acre campus, Euro International School is a vibrant learning space that provides students a safe, comfortable, and well-equipped environment. Our purpose-built green campus, with fully air-conditioned classrooms, ensures a world-class and engaging learning experience.

Our sports program is designed to be more than just an extracurricular activity; it's a vital part of our educational philosophy. We believe that participation in sports builds character, instills discipline, and teaches valuable life skills like teamwork, perseverance, and leadership. Our state-of-the-art facilities and experienced coaches provide students with the perfect environment to excel, whether they are pursuing a passion or discovering a new one.

## Cultivating Creativity

At Euro International School, we see the arts not as a supplement, but as an essential part of a comprehensive education. Our vibrant co-curricular arts program is a cornerstone of this philosophy, providing a dynamic environment where students can discover their passions, hone their talents, and express their unique voices. Through dedicated studios, inspiring instructors, and a community that celebrates creativity, we empower every student to find their place on the stage, in the studio, and beyond.

# Holistic Learning

We believe in holistic education that goes beyond academics. Students are encouraged to explore their passions and develop essential life skills through a wide range of co-curricular activities. Sports and physical education play a vital role in building stamina, discipline, and teamwork through regular training and inter-house competitions.

Our vibrant cultural and creative programs—including music, dance, theatre, and fine arts—nurture confidence, creativity, and self-expression. Learning extends beyond the classroom with field trips and exchange programs that connect knowledge to real-life experiences and promote global awareness. Balancing academics, creativity, and leadership, we prepare every student to succeed in all spheres of life.

The image is a 4x3 grid of 12 photographs, each representing a different school activity. The grid is organized into four quadrants, each with a central text label in white font on a colored background:

- Top-Left Quadrant (Inspire):** The background is orange. It contains two images: a student painting a mural of a bull on a wall, and a student playing the violin.
- Top-Right Quadrant (Innovate):** The background is red. It contains two images: two students playing cricket on a field, and a student wearing boxing gloves.
- Bottom-Left Quadrant (Lead):** The background is orange. It contains two images: a student painting a wall with a mural, and a student playing the piano.
- Bottom-Right Quadrant (Triumph):** The background is yellow. It contains two images: a student performing a dance in a colorful costume, and a student performing a high kick in a martial arts class.

The final image in the bottom-right corner shows a student performing a high kick in a martial arts class.
